I am Jonathan Shi, a graphic designer and visual communicator. I recently completed an internship at Moving Brands.¹ I have received a BFA in Graphic Design at ArtCenter College of Design.² In 2015, I spent 3 months in Berlin³ studying analogue graphic design, right after attending Open Set,⁴ a 2-week intensive workshop in Rotterdam. I designed, art-directed, and led a group project for Honda Research America.⁵ In addition to that, I also got a BS in Public Health.⁶
